

Later Life Matters

Tuesday 28th April 2015

Invitation

What services are available for older people in Nottingham?

This free event brings together solutions to many of the problems that come with later life.

Seven expert speakers will each set out how their organisation helps solve the problems of later life. In addition, there are many other organisations with displays, able to answer your questions. There is plenty of time for delegates to explore the stands. The whole event is compressed into a half day, so you can choose a morning or afternoon session, whichever suits you best. And for those who only have their lunch hour, we are 'open' between 12.15 - 1.15 for you to visit the stands and ask questions.

Attendance to this event is free of charge but, if you wish to attend, please reserve your place as soon as possible, as spaces are limited
